

WELL v1

Scorecard for Ecophon products

Credit name	Contribution	Supporting evidence	Possible credits
Air			
25 Toxic material reduction	All Ecophon product components assessed down to 0.01% by mass	Health Product Declarations (HPDs) and certificate of compliance with REACH. Both can be found in the Download centre - HPDs in the tab "Product documentation"	O
04 VOC reduction	Low VOC emissions	Eurofins IAC GOLD certificate. Check the tab "Product documentation" in the Download centre	P
01 Air quality standard	Low emissions	Eurofins IAC GOLD certificate. Check the tab "Product documentation" in the Download centre	P
Light			
59 Surface Design	Light reflectancy larger than 80% for all white surfaces	Product data sheet	O
Comfort			
78 Reverberation Time	Thorough acoustic research resulting in short reverberation time.	Acoustic reports and product data sheet	O
80 Sound reducing surfaces	Possibility to tailor make the acoustic solution through our acoustic calculator, causing low NRC	Ecophon Acoustic Calculator	O
