

SoundCircularity™  
**RECYCLING SERVICE**  
BY ECOPHON®

# How it's done

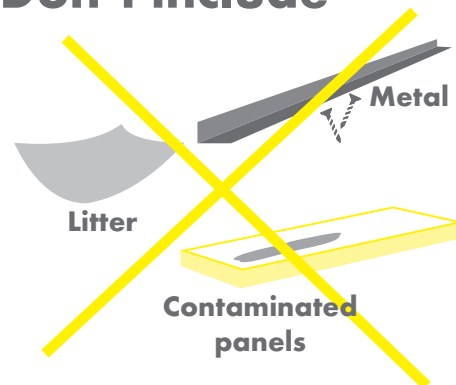

## Recycling quick guide

### 1. Pack panels

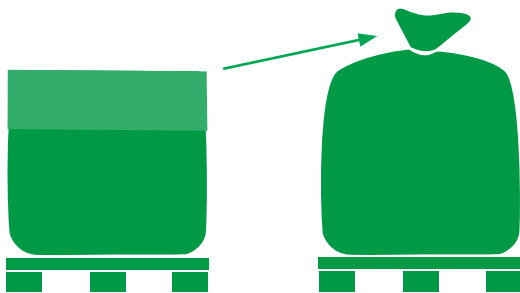

Place bag on pallet, sort and pack material

### 2. Don't include

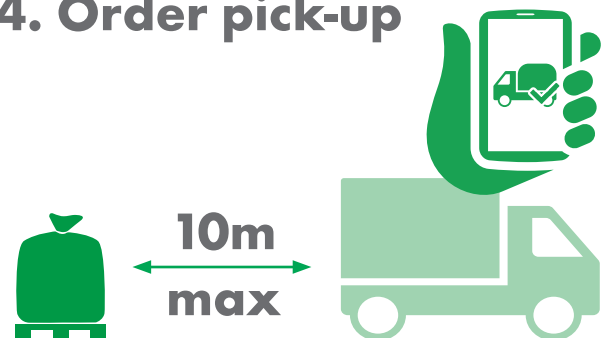

No other material than clean, dry glass wool

### 3. Close and tie the bag to keep panels dry

Close with a double knot or cable tie

### 4. Order pick-up

Order pick-up and put bags easily accessible and close to truck pick up place

Contact Ecophon to order bags, schedule a pick-up or if you have any questions
